Members Strong

Capital Farm Credit has provided financing to Texas farmers, ranchers, rural property owners and agribusinesses for over 104 years as part of the Farm Credit System.

We're a member-owned cooperative with a deep understanding of agriculture. This enables us to understand industry sectors we finance and provide an unparalleled level of knowledge and service.

Capital Farm Credit provides approximately \$8.3 billion in loans. This capital helps about 22,900 members succeed and grow.

We're the largest Farm Credit association in Texas and one of the largest in the United States. Headquartered in Bryan, Texas, Capital Farm Credit has offices across the state chartered to serve 192 of Texas' 254 counties.
